Re: Road Grinding Contract

As part of our long term road maintenance strategy, Public Works issued an Invitation For Bids (IFB #04161-11) in April to address our road grinding needs. Two bids were received and evaluated. However, recent developments warrant the County rejecting these bids. Since Commissioners' Court recently approved the purchase of road grinding equipment, these services are no longer necessary.

PW requests Commissioners' Court approval to decline all bids associated with IFB #04161-11. Should you require additional information, please contact me and I will respond accordingly.
