Re: Full Depth Reclamation Contract

As part of our long term road maintenance strategy, Public Works issued an Invitation For Bids (IFB #03149-11) in April to secure Full Depth Reclamation (FDR) services. However, recent developments warrant the County rejecting these bids. Since Commissioners' Court approved the purchase of FDR equipment on May 9, these services are no longer necessary.

PW requests Commissioners' Court approval to decline all bids associated with IFB #03149-11. Should you require additional information, please contact me and I will respond accordingly.
