Re: In re: Lawnmower Engine Horsepower Marketing Sales Practice Litigation Settlement

Dear Class Member:

The amount of the cash payment was calculated according to the terms of the Settlement Agreements. Pursuant to the Settlement Agreements, because of the substantial number of claims received, the full capped payment amount (up to \$35 for walk-behind and \$75 for riding lawn mowers) is not available for distribution. Rather, the amount to be paid to each claimant was reduced pro rata from the capped amounts. As a result, walk-behind lawn mower purchasers are receiving \$10.19 and riding lawn mower purchasers are receiving \$21.84.

You may also find enclosed an extended warranty certificate (or certificates) for one or more of the lawn mowers you claimed, if applicable. The terms of the enclosed extended warranty certificate, including all exclusions, are the same as the engine manufacturer's warranty in effect on March 1, 2011. If your lawn mower engine is in need of repair, please visit [www.lawnmowerclass.com](http://www.lawnmowerclass.com) for a list of authorized repair locations. To obtain a repair, you will need to present the enclosed warranty certificate along with the lawn mower to the authorized service provider. The engine model number on the lawn mower must match the number on the certificate or the authorized service provider will not honor the warranty. If the engine model number on your certificate does not match your lawn mower engine, please visit [www.lawnmowerclass.com](http://www.lawnmowerclass.com) to request a new certificate. Please note that we may have been unable to issue you a certificate for one or more of your lawn mowers if the information you previously submitted was incomplete or insufficient; if this is the case, you will receive further information about your claim(s) and follow-up instructions in a separate letter.

Thank you for participating in the settlement of this matter. If you have any questions about the payment or obtaining a warranty certificate, please visit [www.lawnmowerclass.com](http://www.lawnmowerclass.com) or call the Settlement Claims Administrator toll-free at 1-877-773-8196.

PLEASE CASH OR DEPOSIT THIS CHECK IMMEDIATELY. If your check is not cashed or deposited within One Hundred and Eighty (180) days from the date of the check, it will become null and void and your right to receive the Court-approved payment will be lost.

Re: In re: Lawnmower Engine Horsepower Marketing Sales Practice Litigation Settlement

Dear Class Member:

Pursuant to the claim you submitted, enclosed is your Court-approved settlement payment. The amount of the payment was calculated according to the terms of the Settlement Agreements. Pursuant to the Settlement Agreements, because of the substantial number of claims received, the full capped payment amount (up to \$35 for walk-behind and \$75 for riding lawn mowers) is not available for distribution. Rather, the amount to be paid to each claimant was reduced pro rata from the capped amounts. As a result, walk-behind lawn mower purchasers are receiving \$10.19 and riding lawn mower purchasers are receiving \$21.84.

Thank you for participating in the settlement of this matter. If you have any questions about the payment, please visit [www.lawnmowerclass.com](http://www.lawnmowerclass.com) or call the Settlement Claims Administrator at 1-877-773-8196.

We cannot provide tax advice. Please consult with a tax advisor to determine if you need to claim this as income on your taxes.

PLEASE CASH OR DEPOSIT THIS CHECK IMMEDIATELY. If your check is not cashed or deposited within One Hundred and Eighty (180) days from the date of the check, it will become null and void and your right to receive the Court-approved payment will be lost.
