Dear Collin County Property Owner:

The Collin County Rural Addressing Office is currently standardizing emergency addressing, to ensure that there will not be a delay of emergency service to your residence.

To facilitate emergency response, some changes must be made to standardize addresses. The north-south section of County Road 648 will be renamed as Old Josephine Rd for 9-1-1 consistency along properties in the City of Farmersville and Collin County. See the enclosed map for reference.

The addressing recommendation listed below will be made to the Collin County Commissioners' Court by the 9-1-1 Rural Addressing office. The agenda request will be made for the public session of the Commissioners' Court on June 20, 2011, which you are welcome to attend. The scheduled court date is subject to change – for information on the latest agenda notice go to:

[www.co.collin.tx.us/commissioners\\_court/commcourt\\_agenda.jsp](http://www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp).

Pending approval by the Commissioners' Court, your 9-1-1 address on D J Jaynes survey, A0471-2, Tract 66, will change:

from 1568 COUNTY ROAD 648 to **1568 OLD JOSEPHINE RD**

Within 2 weeks after approval by the commissioners court, a 9-1-1 address correction letter will be sent to you, your emergency service dispatcher, your post office, and the Collin Central Appraisal District.

The two Collin County Department of Public Safety (DPS) offices, in McKinney and Plano, will update the address on drivers licenses at no charge when shown the 9-1-1 address correction letter.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

If you have any questions concerning this address, please call the GIS/9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
