Jennifer,

I spoke with Michael DeBlois, FBI, yesterday regarding this grant. He stated that we would not be receiving the OCDEF contract back because they are going to reimburse the County using only HIDTA funds. Therefore, we need to use the HIDTA MOU which has not been through Commissioner's Court. Mr. DeBlois will be supplying us with two original copies of the HIDTA MOU for both Judge Willis and a HIDTA official to sign. I let him know that I need the signed HIDTA MOU by August 30th so I can get it on the September 12th Court. If you have any questions please let me know.

Thanks,
Holly

Della,

Holly is actually the one requesting the signed copy. Do happen to have a contact there at the FBI that I might could call and get the status. This was sent out in July.

Thank you!

Hi Jennifer,

It is my understanding that Holly Heldt has been keeping track of the contract status with someone in Houston. I have been told FBI has not signed it yet.

I am trying to locate the signed agreement for the above.

I had mailed it out in July for signatures. Did they happen to mail the originals back to you, because I have not received them back.

Thank you!
