RE FYI Notification of utilization of cooperative contract

FYI notification of utilization of a cooperative contract to purchase one T750 Bobcat Compact Track Loader with various attachments from Bobcat of Fort Worth. Competitive quotes were solicited from BuyBoard, HGAC and NJPA cooperatives. We recommend purchase of this equipment using the Buyboard contract at a cost of \$94,421.

The purchase of this equipment was approved in the FY11 budget in lieu of replacing Unit #28855, a 1996 Galion motor grader with 7686 hours. The compact track loader with its multifunction attachments will provide a machine usable almost daily in support of all three sections of our Road & Bridge operations, from leveling ground and moving rock, to digging holes for guard rails and signposts; from storm damage and right-of-way cleanup to breaking up concrete and asphalt and for small compaction jobs.

Summation: Buyboard: \$94,421.00
 HGAC: \$98,232.65
 NJPA: \$103,087.35
