TO: Collin County Commissioners
FROM: Judge John E. Payton
DATE: May 23, 2011
SUBJECT: Purchase of Laptop Computer

I am requesting the purchase of a Lenovo ThinkPad laptop computer with peripherals and Office Pro Plus, Windows platform, and CORE Calclient software and proper licensing. This computer will be used by Brenda Terrell, Court Administrator, in the office and will serve as a take-home Odyssey computer. I would like for the funds for this to be taken from the JP Court Technology Fund for this purchase.
