## MEMORANDUM

DATE: June 15, 2011  
TO: Chief Deputy Rick Allen  
FROM: Major Chuck Ruckel *CR*  
RE: Interlocal Agreement with TxDOT for Online Crash Reporting

---

I am requesting the Commissioners' Court approval of an Interlocal Agreement with the Texas Department of Transportation (TxDot). This agreement will allow the Collin County Sheriff's Office to complete, check, approve, and send all accident reports required by TxDot directly to TxDot via the internet. The Sheriff's Office currently has all of the necessary equipment and software in the Patrol vehicles required to accomplish this task. There is no additional cost to the County for this service; in fact the County will save money as the reports will be completed more quickly and more accurately in the field. Errors on original accident reports require extra manpower and mailing expense. This is a good deal for the Collin County Sheriff's Office and the citizens of Collin County.
