Subject: Response from TCEQ regarding Farmersville Investors LP.

Keith,

Below is the response I received from TCEQ this afternoon in reference to my inquiry for the timeline regarding the application for permit for a proposed Texas Pollutant Discharge Elimination System by Farmersville Investors, LP. I have also attached the original notice we received from TCEQ on 6-15-2007.

Application received: 1/31/07
Declared admin complete: 2/23/07
Technically complete (permit drafted): 4/3/07
2nd Notice (NAPD) published: 6/22/07
30 day comment period ended: 7/23/07
Public meeting held: 12/4/07 - this meeting was held in Farmersville
Response to comments (RTC) mailed: 7/10/08
Commission agenda (consideration of hearing requests): 2/11/09
1st public hearing held: I do not have this date
SOAH PFD on commission agenda 6/16/10
2nd public hearing held: 11/30/10
2nd SOAH PFD on commission agenda - Application for permit approved 4/6/11
Commission agenda for motion for rehearing - the request from affected parties for rehearing was denied 6/23/11

The public comment period for the Application expired August 9, 2008.
James A. and Shirley Martin filed a timely request for a contested case hearing on August 2, 2008
Rep. Jodie Laubenberg filed a timely request for a contested case hearing on August 8, 2008
NTMWD submitted a request for a contested case hearing dated August 8, 2008 and received August 11, 2008
Wilda Faye VanderVelde filed a timely request for a contested case hearing dated April 25, 2007
Collin County Commissioners Joe Jaynes filed a request for a public meeting dated June 15, 2007
Each of the preceding requestors was listed as a "requester" on the Commission's notice of public meeting, dated December 31, 2009.

The following were found to be affected parties to the application:

James and Shirley Martin
NTMWD

Thanks,
Suzanne
