## MEMORANDUM

TO: Collin County Commissioners  
From: Greg Hudson  
Date: July 8, 2011

RE: TNRCC Application for new municipal utility district – Lakehaven  
Municipal Utility District

### **SUPPLEMENTAL CONSIDERATION**

One issue I failed to address in my prior Memorandum from earlier today is the issue of provision of public safety services (fire, law enforcement, EMS) to the proposed residences located within the MUD. The cost of these services would necessarily be borne by Collin County and would not be reimbursable from MUD taxes.

This would need to be considered in connection with my earlier statements regarding the benefit of increased ad valorem tax base stemming from the development, as the costs to the County for providing these public safety services would obviously offset such benefits to an uncertain degree.
