Ms. Carol Magers
 Collin County Government
 2300 Bloomdale Rd.
 Suite 3198
 McKinney, Texas 75071

Dear Carol:

Here is the price quote on the CEP units per your request. I have quoted all devices with the standard one year on-site warranty and added 3years Extended warranty which provides Collin County with 4 years of total on-site warranty.

Description	Part No.	MSRP	CC Gov. CEP Price	3 years Extended
X954de Color MFP	TBA	\$16,070.00	\$5,172.00	\$ 5,711.20
3-Hole Finisher	TBA	2,284.29	\$1,653.00	
Total		\$18,354.29	\$6,825.00	
X792dtfe Color MFP	47B1002	\$ 6,975.71	\$3,508.00	\$2087.20
T656dne	30G0400	\$ 2,507.14	\$ 747.00	\$ 583.20

As I shared with Lanette, I can sell CC three of each unit and your total cost would be as follows:

	Unit Cost	Quantity	Total
X954de Color MFP	\$ 6,825.00	3	\$20,475.00
3 years Extended Warranty	\$ 5,711.20	3	\$17,133.60
X792dtfe Color MFP	\$3,508.00	3	\$10,524.00
3 years Extended Warranty	\$2,087.20	3	\$ 6,261.60
T656dne	\$ 747.00	3	\$ 2,241.00
3 years Extended Warranty	\$ 583.20	3	\$ 1,749.60

Key Features

Lexmark X950de color MFP shown with optional 2,520-Sheet Tandem Tray Module, Booklet Finisher and 2,000-Sheet High Capacity Feeder.

Features to optimize your work

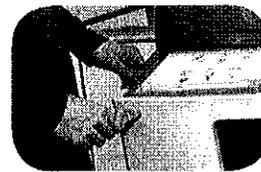

1) Intuitive color touch screen

The extra large 10.2-inch color touch screen allows you to operate your MFP with ease through intuitive navigation and easy access to workflow solutions and shortcuts.

2) Lexmark solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

3) Direct USB

The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats.

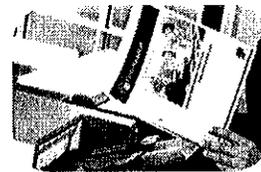

4) Flexible input capacity

Choose the configuration that best fits your needs, up to a maximum of 5,140 sheets.

5) Exceptional media handling

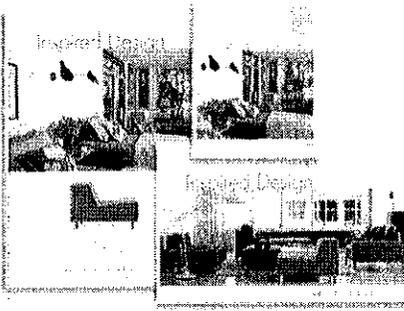

Ultra-reliable paper feeding lets you load up to six different types of media, including sizes up to 12.6 x 48 inch and weights up to 300 gsm.

6) Advanced finishing options

Easily create professional output in-house with flexible finishing options, including multi-position stapling, hole punch, expanded output stacking and booklet capability.

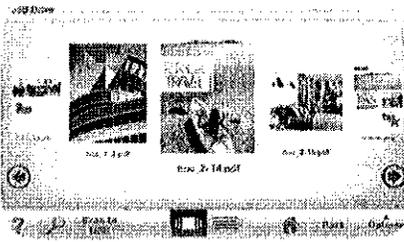

Overview

Outstanding Color Output

Make a lasting impression on your customers and do more printing in-house with vibrant, professional-quality output on a wide variety of media. With the advanced technology of the X950 Series, you'll get high-performance A3 (tabloid) multifunction capability that produces consistent color from the first page to the last.

- 1200 x 1200 print resolution for rich vibrant colors and crisp black text.
- PANTONE® calibration for consistent color tones.
- Named Color Replacement for easy color matching.
- Lexmark Color Care Technology to manage color use and control costs.
- Create professional collateral materials ranging from saddle stitch booklets to folded brochures on media up to A3 (tabloid).

Productive and Intuitive

The Lexmark X950 Series combines high-performance printing, copying, scanning and faxing with time-saving workflow applications designed to boost your productivity.

- Print and copy at speeds up to 55 ppm black and 50 ppm color, and scan at speeds up to 70 images per minute; time to first print as quick as 5.2 seconds.
- Extra large, easy to navigate 10.2-inch color touch screen provides audible and tactile feedback to make completing tasks intuitive.
- Preloaded applications help you drive greater efficiency in your workflow.
- Scan to multiple destinations, including scan to email, scan to FTP, scan to fax, scan to network, scan to USB drive and more.
- Print Preview and Post Process Job Changes allow you to duplex, add finishing or select individual pages for printing.
- Advanced copy functions let you interrupt long print runs to make a quick copy or proof the first copy set before completing your copy job.

Built for Business

The Lexmark X950 Series features a robust print engine designed to handle the most demanding workloads with the advanced features and flexibility you need to run your business.

- Robust connectivity makes it easy to integrate into almost any network environment.
- Simplify device monitoring and administration through the embedded web server, Lexmark Universal Print Driver and Lexmark MarkVision Enterprise.
- High-capacity hard disk, 1.2 GHz processor and up to 2GB RAM.
- Inner Tray 2 is standard, allowing you to separate print, copy or fax output into two bins.
- Choose from multiple input options to expand capacity up to 5,140 sheets.
- Easy-to-replace aftermarket cartridges provide yields of up to 38,000² pages black and up to 24,000² pages color.

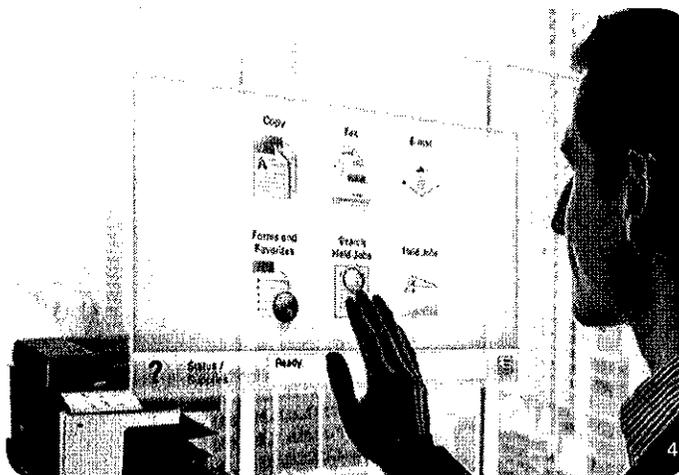

True. Image. Always.

Lexmark is dedicated to designing and manufacturing products that deliver exceptional quality and reliability. Maximize the return on your investment, optimize the performance of your Lexmark printing equipment and make a lasting impression by always insisting on Lexmark Genuine Supplies, Service and Parts. The X950 Series is backed by Lexmark's 1-Year Limited Warranty; extended warranty plans are also available.

The right touch

The Lexmark e-Task color touch screen is a key access point to your MFP. The extra large customizable 10.2-inch interface gives you the ability to preview thumbnails of documents prior to printing, as well as to change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. Easy-to-use, intuitive navigation provides fast access to the functions, shortcuts and workflows you use most. New interactive sensory features provide both tactile and audible feedback, helping to guide you through each operation, confirming a touch has registered and indicating an action is transpiring.

Solutions

Save time and money through solutions

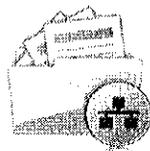

The Lexmark X950 Series features the Lexmark Embedded Solutions Framework, our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

The following solutions are preloaded on the X950 Series:

Forms and Favorites

Eliminate waste and inefficiencies associated with pre-printed forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Scan to Network

Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

Change Language³

Easily switch the language displayed on the touch screen – 18 languages are supported.

The following are just a few examples of solutions available to you through Lexmark authorized partners and dealers, or through a Lexmark Professional Services engagement:

Scan to Network Premium

This enhanced version of Scan to Network offers advanced functionality to preview, modify, enhance and index scanned documents before routing them to a shared network folder.

Showroom

Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Card Copy

Save time and effort in copying identification cards, licences and insurance cards by automatically scanning, enlarging and printing both sides of a two-sided card on to one side of a sheet of paper.

Highlights

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend on average up to 6% of their revenue on printing and that active print management can cut office print costs by up to 30%¹, it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

Desired Color
PANTONE 346 C

Without Named
Color Replacement

With Named Color
Replacement

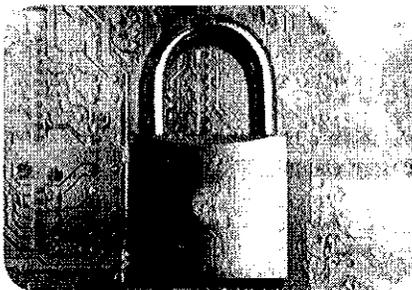

Consistent color, every time

Produce professional documents confidently in-house knowing that the named colors of your company's brand and logo will print accurately and consistently every time. Through Lexmark Named Color Replacement, included standard with your device, users can enter specific color values for easy color matching, including PANTONE® Color and colors in the DIC Color Guide.

Easy device management

Manage your output environment effectively with Lexmark MarkVision Enterprise. This free browser-based software gives you complete visibility into your entire fleet of network printers and MFPs regardless of manufacturer. MarkVision Enterprise makes it easy for administrators to configure, track, view, troubleshoot and proactively manage your devices throughout their lifecycle, from the moment you connect them to the network until the day you retire them.

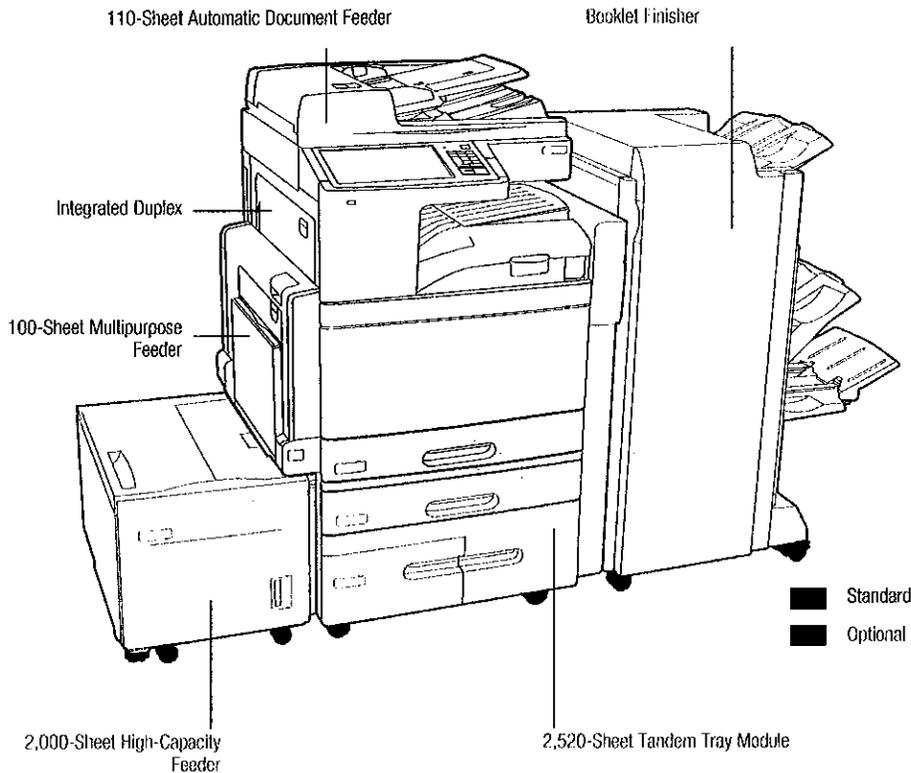

Protecting your information

From the data travelling through your network to the pages being printed, multilayered security features and built-in capabilities help you protect your devices, documents, data and network.

- Supports a variety of user authentication and authorization controls.
- Card reader option allows users to authenticate with proximity or swipe cards.
- Advanced hard disk encryption protects sensitive data on the MFP's disk drive.
- Automatic, scheduled or manual disk wiping removes latent data.
- IPSec, SNMPv3 and 802.1x network security are supported.
- Security-audit logging tracks and identifies security risks.

Eco-responsible printing

The X950 Series makes it easy for you to print responsibly. Features include duplex to save paper, Eco-Mode to reduce paper and toner consumption and a Sleep Button with hibernate mode to save energy. The X950 Series also helps you save energy through its instant warm-up fuser and specially designed toner, which fuses at a low temperature.

Paper Handling Optional	2,000-Sheet High-Capacity Feeder, 3,500-Sheet Finisher, 3 x 520-Sheet Drawer Stand, Booklet Finisher, 2,520-Sheet Tandem Tray Module, 520-Sheet Drawer Stand	2,000-Sheet High-Capacity Feeder, 3,500-Sheet Finisher, Booklet Finisher	2,000-Sheet High-Capacity Feeder, 3,500-Sheet Finisher, Booklet Finisher
Paper Input Capacity, Standard: Up to	620 pages 20 lb or 75 gsm bond	2180 pages 20 lb or 75 gsm bond	3140 pages 20 lb or 75 gsm bond
Paper Input Capacity, Maximum: Up to	5140 pages 20 lb or 75 gsm bond	4180 pages 20 lb or 75 gsm bond	5140 pages 20 lb or 75 gsm bond
ADF Paper Input Capacity: Up to	110 pages 20 lb or 75 gsm bond		
Media Types Supported	Card Stock, Envelopes, Glossy Paper, Labels, Plain Paper, Transparencies. Refer to the Card Stock & Label Guide		
General			
Function	Color Copying, Color Faxing, Color Printing, Color Scanning, Color Network Scanning		
Product Warranty	1-Year Onsite Service, Next Business Day		
Product Certifications	www.lexmark.com		
Size (In. - H x W x D)	30.01 x 25.20 x 26.97 in.	44.38 x 25.20 x 26.97 in.	44.38 x 25.20 x 26.97 in.
Weight (lb.)	255.9 lb.	332.2 lb.	351.8 lb.
Specified Operating Environment	Temperature: 10 to 32°C (50 to 90°F), Humidity: 20 to 80% Relative Humidity, Altitude: 0 - 2300 Meters (7,545 Feet)		

Recommended Monthly Page Volume

Recommended Monthly Page Volume is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that this number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

Maximum Monthly Duty Cycle

Maximum Monthly Duty Cycle is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

Footnotes

- Source: InfoTrends/CapVentures, Network Document Solutions Forecast 2007-2012, Network Document Solutions Consulting Service, August 2008
- Average continuous black or continuous composite CMY declared cartridge yield in accordance with ISO/IEC 19798.
- Change Language is an option during installation.
