Yes, you are correct; however, after talking with Frank, this will have to go to Court as an FYI to the court to upgrade our system at the cost of \$106,690.00. I will need Major Anderson or you to enter an agenda request for this item under the FYI category and route it to Purchasing for our input. I cannot process the purchase order under this goes to Court. Thanks,

Carol.

That software is sole source from Motorola.

Yes, Shirley sent the quote. I just have to talk to Frank to see if it needs to go to Court since we're using a coop contract and it's over \$50,000.
