PROGRAM*

June 6, 2011

Dear Member,

Dining Alliance is happy to present your annual rebate check! These rebates have been negotiated based on the collective Buying Power of thousands of foodservice members, like you. Your continued loyalty to the brands mentioned in the check detail will directly result in an increase in your check and more competitive future rebates.

You will receive a rebate check Annually!

As long as you are on this program with your Distributor, A Dining Alliance rebate check will be delivered to you on an annual basis. The checks are delivered in June for the prior calendar year rebate earnings. For some of you this will be a change. Moving to annual pay will ensure that you receive your check on a consistent basis. If you would like to receive your rebate check more frequently - you may be able to! The current minimum for a quarterly check is \$250 consistently every quarter. If you would like to reach that goal to receive a quarterly check we strongly encourage you to email rebates@diningalliance.com to get an optimization report and learn how to earn more rebates!

In this check package you will receive more information about earning more rebates. We truly look forward to working with you!

Thank you for your continued loyalty to the Dining Alliance program.

Sincerely,

John B. Davie
President
