RE Sale of Surplus Equipment

We have received a request from Commissioner Whitlock of Fannin County to purchase five pieces of County surplus equipment which was scheduled for the next auction. These units are listed below. Replacement units have already been placed into service.

Fannin County has agreed to pay \$49,000 for these five surplus pieces. We have researched the value of these units and have determined that Fannin County's offer is in line with the fair market value of such equipment taking into consideration age, condition and hours.

Attached is a copy of the letter we received from Commissioner Whitlock of Fannin County Pct. One.

We recommend the sale of this equipment to Fannin County, Texas.
