Section 3. Services Rendered

Collin County proposes two projects to support WFD in Fiscal Year 2011. We will prepare the Wylie Fire ~ Rescue road network for routing capabilities. We will deliver a map of your service areas with three 1.5 mile response time zones as well as the road network data layer that can be imported into other systems. We will also build a mobile internet application that can be used in your dispatch area and in the field. The web application will have all of you map book elements plus the fire districts of the entire county.

The Collin County GIS staff is confident that we can provide the Wylie Fire Department the expertise necessary to complete these projects.

Section 4. Responsibilities and Duties

City will provide Collin County the information needed to perform the work described in Section 3 – Services Rendered.

Section 5. Maintenance

Annual maintenance will be provided by the County for the work stated above and for any previous work provided to the City by the County to include the following:

- Twelve (12) months of data updates,
- Storage of Data
- Web access & design along with a routine backup & recovery strategy of the work above.
