

COLLIN COUNTY

OFFICE OF THE SHERIFF
4300 Community Avenue
McKinney, TX 75071

Terry G. Box, Sheriff

TO: Commissioners' Court
FROM: Sheriff Terry G. Box 
DATE: August 11, 2011
RE: Data Upgrade to Investigators' Phones

I am requesting Commissioners' Court approval for data upgrades to Investigators' cell phones. Currently Criminal Investigators and Narcotics Investigators have voice only cell phones, since our Investigators regularly work cases with other agencies who share data during investigations or operations. Without data capabilities our Investigators are unable to receive or share critical data.
