

19 August 2011

TO Judge Self and Commissioners' Court

FROM Jon Kleinheksel, Director/Public Works 

RE Award of Bid: IFB No. 06230-11
Services: Body Repair and Painting for Light, Medium and Heavy Duty Vehicles

We evaluated this bid using eight example estimates for each classification. We included towing charges for light duty vehicles, but did not include towing for the heavier trucks as this need is not as likely for those vehicle classes.

Our recommendations for award of annual contracts for these services are as follows:

Light Duty

Primary award to low bidder, Eldorado Collision
Secondary award to 2nd low bidder, David's Paint & Body

Medium Duty

Primary award to low bidder, Danny's Paint & Body
Secondary award to 2nd low bidder, David's Paint & Body

Heavy Duty

Primary award to low bidder, Red River Truck Repair
Secondary award to 2nd low bidder, David's Paint & Body

Average annual expenditure for these services (combined) has been between \$15,000-\$25,000.
