RE: Increase in Contract Pricing

During the last budget new equipment was added to our Wilmeth Road Tower. The equipment is a part of the Regional Overlay project. This equipment is now out of warranty; per our MOU with NTCOG the equipment is owned by the county and will be maintained by the county.

Our cost last year was \$442,375.92; it has increased to \$457,479.83 (Increase of \$15,103.91).
