RE: Recommendation for Award of Contract, CR-134

Dear Mr. Dobecka:

I contacted two engineers who have worked with 2L Construction, LLC and were very happy with their work. The owner is involved with the day-to-day construction and produces good projects. They have constructed many public sector projects on the west side of DFW. They have completed some, but not many structural concrete projects. I see no reason not to award the contract to them.

Sincerely,

Binkley & Barfield, Inc.
