

COLLIN COUNTY

Terry G. Box, Sheriff

Date: September 6, 2011
To: Commissioners Court
From: Terry G. Box, Sheriff *TGB*
Re: Inmate Commissary Contract Renewal

The Collin County Sheriff's Office is entering into a one year contract extension with the Inmate Commissary vendor Aramark. By contract, the inmate trust fund software accounting system is also provided by Aramark. Aramark is now offering a software upgrade package called CORE Trust Fund Solution.

This software accounting system provides more functionality and is easier to audit. This software has been evaluated and approved by the Sheriff's Office, Purchasing, Auditor and IT. It is recommended to replace our current accounting system with the CORE Trust Fund Solution software package.
