Re: NTMWD Rate Change

Public Works requests Commissioners' Court consideration and any action regarding a vehicle rate decrease for the Collin County Clean Up Program. In October of 2005, Collin County through an interlocal agreement with North Texas Municipal Water District, (NTMWD) began our free drop off "citizens' clean up day" at the 121 landfill facility. The program is offered once a month and is available to all citizens of Collin County.

The new rate per vehicle will be \$14.78 as opposed to the \$15.47 previously paid through this program. The decrease will take effect October 1, 2011 and will be in effect for a one year period until September 30, 2012.

Public Works has budgeted for this program in the FY 2012 Budget.

Should you require additional information, please contact me and I will respond accordingly.
