This letter is to advise you that on May 19, 2010 Dominion Voting Systems Inc. acquired from Premier Election Solutions Inc. the intellectual property rights to the primary assets of Premier. This includes all intellectual property, software, firmware and hardware for Premier's current and legacy optical scan, central scan, and touch screen voting systems, as well as all versions of the GEMS election management software. Therefore, Dominion is a full service provider and licensor to any GEMS election management software and can preform any training, election support, services and repair to the equipment.

Sincerely,

A handwritten signature in black ink, appearing to read "SA - SB", written over a horizontal line.
