Re: County Road 530 Asphalt Road Project

Public Works is in receipt of a written request for reimbursement for the replacement costs of fence materials from County Road 530 property owner Mr. David Thibodeaux. Mr. Thibodeaux's fence line was heavily wooded and required clearing for drainage purposes. While the amount may seem excessive, it is important to note that Mr. Thibodeaux's property boundary is exceptionally lengthy (½ mile) and warrants the amount requested. By approving this petition, Public Works is conforming to adopted Road & Bridge policy.

Mr. Thibodeaux has a standard 5 wire barb wire fence with standard t-posts and spacing. The reimbursement dollar amount was calculated as follows:

2,250 ft 5 strand barb wire with 20 ft T-Post spacing @ \$2.28 per ft = \$5,130.
11 ea. (exhibit K) Cross fence pull braces \$170 each = \$1870.00

Total = \$7000.00

Funds have been budgeted to accommodate this request.

Should you require additional information, contact me and I will respond accordingly.
