RE: Request for Surplus Equipment Donation

Chief Rob Caldwell of the Nevada Volunteer Fire Department has requested a donation of surplus County unit #21283. A copy of his request is attached.

This unit, a 1992 GMC 18 passenger bus with 109,764 miles, has been removed from active service and is currently scheduled for auction. The vehicle was originally assigned to the Sheriff's prisoner transfer program. The value of this unit is approximately \$1,500.

Public Works respectfully requests your consideration and action regarding this donation of County Unit #21283 to the Nevada VFD.

Should you require additional information, please contact me and I will respond accordingly.
