Manager, Health Care Services

Subject: Approval of FY'12 Guidelines and Application for Non-Profit Service Agreements

On August 25, 2011, the Collin County Health Care Advisory Board met and unanimously approved the attached FY'12 Health Care Service Agreement Guidelines and Application. The Advisory Board is requesting approval of the application packet and the announcement of the availability of funding for Collin County non-profits providing health care services.

After careful review, the Advisory Board recommended that the FY'12 Guidelines and Application should be modeled after the prior year application requirements previously approved by the Collin County Health Care Board of Trustees. Highlights of those requirements include:

- Eligibility would be limited to Collin County residents who are either U.S. citizens or Resident Aliens with more than 40 working quarters of U.S. residency; and those with incomes of at or below 100% of the Federal Poverty Level.
- Funding will be limited to following types of health care services:
 - sick medical visits (provided by a licensed health care provider);
 - laboratory and X-ray services;
 - prescription drugs (generic when available); and
 - outpatient medical services (provided by a licensed health care provider).
- Funding would be for the period of January 1, 2012 – December 31, 2012.
