Mr. Ruben Delgado, P.E.
Collin County Engineer

Re: Request to Transfer Funds from Collin County Project 07-00-17

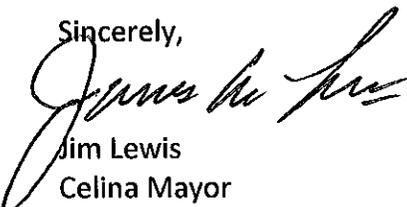

Dear Mr. Delgado-

As part of the Texas Department of Transportation project to widen State Highway 289 (Preston), more specifically T.X.D.O.T. Project CSJ 0091-04-055, certain city utilities must be relocated. At Station 465 of the CSJ 0091-04-055 plans, Celina has a water utility crossing that is in conflict with the proposed improvements and must be relocated. Considering the limitations of the current city budget, Celina would like to formally request assistance from Collin County with funding this utility relocation through a transfer of funds from Collin County Project 07-00-17 which is also known as the County Road Five Project.

At the February, 13th Council meeting, our Council approved a resolution to request from Collin County the reallocation of County Road Five Bond funds in the amount of thirty-four thousand seven hundred and four dollars (\$34,704) in order to complete the Station 465 utility relocation. Please find enclosed with this letter, the approved resolution and agreement executed by the City of Celina.

We appreciate your thoughtful consideration of this matter. If I may be of assistance in any way, please do not hesitate to contact me.

Sincerely,

Jim Lewis
Celina Mayor
