Re: Repayment plan for Weston Mutual Boundary roads

Earlier this year, PW met with Weston officials to discuss mutual boundary roads pursuant to Commissioners' Court's directive of November 21, 2011. Mayor Harrington and her staff have reviewed the data we provided and are requesting a ten year remuneration plan. The financial details can be found on the attached schedule and covers County Roads 208, 209, 216, and 1096.

In addition, Mayor Harrington solicited a cost estimate to reconstruct a segment of CR206 within Weston's city limits. Public Works staff calculated a cost of \$61,000 which the Mayor asked to be added to the sum. To offset a portion of this amount, Mayor Harrington requests Court's approval to apply the ambulance fee credit discussed in the attached memo. The credit is based on the premise that Weston paid ambulance fees for areas previously dis-annexed and therefore, unincorporated since 2010 (see attached for details).

Public Works requests Commissioners' Court consideration and approval to authorize the proposed Weston repayment plan.
