All –

I wanted to make you aware of an amendment to Correctional Healthcare contract. CHC would like to add language to the contract that states that CHC shall make nursing staff available to provide emergency services to the Juveniles enlisted in JJAEP. There is no cost associated with this contract amendment.

Please let me know by end of day on Friday, January 20, 2012 if you have any issues with this contract amendment.

Thank You
