Y'all had \$7500 on the 2010 award....I added \$10,000 with the 2011 award. They lumped the 2011 money into the 2010 grant so it became a total of \$17,500. That's the way our City Attorneys wanted the supplement agreement worded. It'll get even more confusing when they put the 2012 award into the original 2010 pot.

Clear as mud? ☺

Lt. Lannom-

I received the interlocal agreement and attached is the amendments and my boss (Major Ruckel) is confused with the wording in paragraph 1. Where it add's the amount not to exceed \$10,000, from \$7500 to \$17,500. He feels that our County Judge will not understand this language. Chris Meehan has stated that he had a conversation with you that we would receive \$10,000 this year. Is there any way we could get this wording cleared up? I also am unaware of the \$17,500 figure?

Give me a shout if you have questions.
