Re: Amendment of Administrative Agreement between Collin County and the North Central Texas Council of Governments (NCTCOG) for the AirCheck Texas Drive a Clean Machine Program

The North Central Texas Council of Governments (NCTCOG) is requesting Commissioners Court's approval of the attached amended Administrative Agreement for the Aircheck Texas Drive a Clean Machine Program (also known as LIRAP). This agreement outlines program responsibilities and activities implemented by NCTCOG on behalf of Collin County.

The proposed amendment incorporates language consistent with recent legislative and TCEQ contract changes. An updated Grant Activities Plan is also attached for your review.

NCTCOG staff will be present to give a brief overview of the program and answer any questions you might have relating to the proposed Amendment or updated Grant Activities Plan.
