Re: City of Lucas Cost Participation with Aztec Trail (CR303) Project

Following my meeting with City of Lucas representatives regarding mutual boundary roads, the Lucas City Council passed a resolution which authorizes their cost participation with the Aztec Trail pavement project. The city has agreed to contribute an amount not to exceed \$26,363.57 and have requested a two year remuneration plan. Please see the attachment for details on the payback schedule.

Public Works requests Commissioners' Court consideration and approval to adopt the Lucas payback plan to improve CR303 (Aztec Trail).

If you have any questions, please do not hesitate to contact me and I will respond accordingly.
