Re: Authorization to Award a Contract for the Construction of Box Culverts on
County Road 408 at Ticky Creek (Bond Project No 07-108)
(Location Map Attached)

The Engineering Department requests Commissioners Court's authorization to award a contract in the amount of \$461,673.00 to Metro-Plex Underground, L.P. for construction of box culverts on the above referenced road. They are the lowest and best qualified bidder based on our engineer's evaluation of the bids and verification of references (see letter attached).

A transfer of available funds from the completed bond project listed below is requested to cover the cost of construction.

County Road 408 - Roadway (Bond Project No. 07-096)

It is anticipated that construction will begin in May with substantial completion by October 1st 2012. We will be available to answer any questions you might have.
