---

The Texas Health and Human Services Commission (HHSC) will conduct a public hearing to receive comments on the proposed regional healthcare partnership (RHP) map that will be released in May. In early April 2012, HHSC issued a map dated March 30, 2012, outlining proposed RHP boundaries under the Texas Healthcare Transformation and Quality Improvement 1115 waiver. The updated May map incorporates feedback HHSC received from proposed anchor entities and counties on the proposed March 30, 2012 map.

HHSC is finalizing the map and anchors to ensure regions will have sufficient time for participants to work together to develop the RHP regional plans. This public hearing is the final opportunity to voice proposed changes to the RHP map.
