Re: Collin County Regional Trail Master Plan – Public Hearing

Our consultant, Halff Associates, has completed the Collin County Regional Trail Master Plan. The plan is a culmination of nearly two years of data collection, meetings and workshops with local municipalities and affected agencies such as TXDOT and the US Army Corp of Engineers.

As part of the process, we would like to have a Public Hearing to receive comments and input prior to finalizing and adopting this plan. If no changes are required, Commissioners Court's approval of the plan as presented is requested.

Representatives from Halff Associates will present an overview of the planning process and methodologies used, as well as answer any questions you might have regarding the plan itself.
