Re: FYI - Collin County Historical Marker

Public Works has received a request to place a historical marker to recognize the Collin McKinney cabin, the namesake of the city and county. The cabin was built in 1846 north of present day Anna but was moved to McKinney in 1936 to coincide with Texas' Centennial celebration. Public Works will be facilitating the installation of the historical marker in May.

Should you require additional information, please contact me and I will respond accordingly.
