REF: FY 2009 Grant Adjustment Notice – Agenda No. 35188

This agenda is to request ratification of Judge Self's signature on a Grant Adjustment Notice for the FY 2009 Grant Funding. All funds were expended except for \$201.48. The project we are returning the funds on is Coplink(Fusion Center Data Sharing). By signing this notice, the funds are swept back to the State and will allow this grant to be closed out.
