Subject: County Road 403 Addressing

Since I will be out of town on May 14th, please use this letter as my formal in-put.

Several years ago, Dowdy Road was changed to CR 403 to improve 911 response. The reason then was that a number is unique and easier to understand under duress than a named street.

We had an emergency about 3-4 years ago and both Princeton EMS and Lowry Crossing volunteers arrived in less than 5 minutes. This is excellent service.

There remains problems with street names and same house numbers on High Ridge Trail and High Ridge Lane.

A similar problem will occur when parcel 581 develops using Dowdy Circle.

Please reconsider your decision and leave CR 403 as it is now.

Sincerely,

A handwritten signature in cursive script that reads "William G. Belous". The signature is written in dark ink and is positioned above the printed name of the signatory.
