Re: Review of Contractor References  
Myers Park Barn Electrical Upgrades  
References for Dal Ec

Dear Mr. Dobecka;

We have made contact with 4 of the 5 references provided by Dal-Ec.

Tim Benefield – Dallas Co. Water District

Pat Lamers – Irving Criminal Justice

David Hulett – Raytheon

Justin Brown – Corinth Pump Station

All had positive responses and stated they enjoyed working with Dal-Ec. All would be glad to work with them again.

Based upon these recommendations, Halff finds no reasons why Collin County would not enter into a contract with Dal-Ec for the Myers Park Barn Electrical Upgrades.

Sincerely,  
Halff Associates, Inc.
