Re: NCTCOG – Grant Second Call Request

Public Works requests Commissioners Court consideration and approval to apply for grant funding through NCTCOG. The grant funding is for the FY2012 and FY2013 Solid Waste Implementation Project Second Request.

Public Works is applying for grant funding to have a Collin County Household Hazardous Waste Collection Day. This will expand collection and management of special wastes to the residents of Collin County. The pilot program represents Collin County's incipient attempt at a comprehensive solution to address HHW and the first of its kind for Collin County residents.
