Subject: Sheriff's Dept lease for space at the Children's Advocacy Center

Dear Mr. Burk,

I am contacting you at the suggestion of Major Chuck Ruckel. I believe that he spoke to you about the fact that the Sheriff's Dept. lease of space at the Children's Advocacy Center is coming up for renewal this year. The current lease expires on August 31, 2012.

I have attached the previous contract, which covered the period of September 1, 2007 through August 31, 2012. This was approved by the County Commissioners on August 28, 2007, and this document is also attached.

I have also attached the proposed lease for September 12, 2012 through August 31, 2017. The only changes made to this proposed lease were the name of the agency, which was legally changed from Collin County Children's Advocacy Center to the Children's Advocacy Center of Collin County in April 2010, and the correction of some typos. The amount of space to be leased, and the rate of the rent is the same as in the previous lease.

We appreciate any assistance you can give us, Mr. Burk, in having this lease approved. Please let me know if you need further information from me. My direct line is below.

Warm regards,

Lynne McLean, CEO
