MEMORANDUM

TO: Commissioners Court
FROM: Judge Paul Raleeh
DATE: June 21, 2012
SUBJECT: Court Technology Fund – 028-2410-444-4910

I am requesting the court to approve an expenditure from the JP1 Court Technology Fund to send the JP1 staff (7 staff members) to the Justice Court Judges Education and Technology Conference July 10-13, 2012 in San Marcus.

The training they will receive is only for Texas Justice Court Judges and Clerks and includes topics such as "Legal resources You Never Knew you Had!" - Are you Smarter than your Phone?" - Office Communications, Court Terminology and Texas Online Legislative Searches" - Protecting Yourself & Your Staff". All topics are advertised as Security/Technology & Front Desk Technology.

This training will be the only training some of these employees receive all year. The added benefit will be for the staff to meet and network with other JP Court Clerks throughout the State [many working on Odyssey as well].

The cost for the conference for 7 employees is \$7150.00.

Respectfully Submitted
