Re: City of Princeton Mutual Boundary roads

The Princeton City Council is requesting a reduction to their existing bond fund balance in the amount of \$332,613.28. The funds would then be reallocated towards the City's portion of improvements to mutual boundary roads. The roads under discussion are as follows

CR456  
CR408  
CR400  
CR492

Public Works requests Commissioners' Court consideration and approval to reallocate Transportation Bond funds to facilitate Princeton road improvements.
