Subject: FY 2009 Upgrade to Asphalt of CR 474

Mr. James LaRance,

This letter is to request reimbursement for fencing removed from the property owned by RJPM&A Investments, LLC. We would like to use our own contractor rather than the county contractor to reconstruct the fencing that was removed.

Joe Williams has the number feet of fence and number of gates that were removed.

Please have someone contact us regarding this matter at 214-205-8191 cells or 972-740-7163.

Regards,  
Bob Passmore
