Re: Authorization to Apply for PETCO Adoption Partners Program Grant

This is to request authorization from Commissioners Court to apply for the PETCO Adoption Partners Program Grant. Volunteers take pets from the animal shelter to various PETCO locations in the county for adoption by the public. PETCO foundation will give the county \$15.00 per pet adopted with no limit on the amount paid to the County by PETCO. The costs will be to help the County defray the costs of spay/neuter/vaccination/housing of pets. Collin County will still charge its normal adoption fees to the public.

The grant period starts when the grant is awarded and does not have an end date.
