Re: Weston Mutual Boundary Roads

Pursuant to the Mutual Boundary component of the "50 Mile a Year" program, Commissioners' Court approved an amendment to the Inter-Local Agreement with the City of Weston on March 12, 2012. The parameters outline a 10 year repayment plan in the amount of \$203, 000 for improvements to County Roads 208, 209, 216, and the reconstruction of CR206 within the Weston city limits.

Due to limited funds, Mayor Harrington of Weston notified PW on July 2 of their intent to withdraw CR216 and 1096 from the schedule and negotiate a new agreement to supersede the March 2 ILA.

In response, PW staff sought the County attorney's legal opinion with respect to the County's authority to recover funds associated with the MB program (see attached).

The city of Weston seeks to renegotiate the scope of the original agreement. Mayor Harrington will be available to address the Court and field questions concerning Weston's proposed participation.

If you have any questions, please do not hesitate to contact me and I will respond accordingly.
