The Town of New Hope, Collin County

Jon Kleinheksel  
Collin County Public Works

Jon,

The town council of New Hope has voted to accept the county's proposal for the improvement of Collin County roads 408 and 1084. We have also agreed to the suggested top coat improvement for the portions of CR408 that lie within the town limits.

We agree to pay the county \$7,201.92 for our portion of the improvements to CR408 and CR1083, and an additional \$2,889.00 for the seal coat on CR408.

This totals \$10,090.92, which the town will pay the county in our fiscal year 2013, after the completion of the work.

Jeff Herbst  
Road Commissioner, New Hope

A handwritten signature in cursive script that reads "Jeff Herbst".
