Re: New Hope Mutual Boundary Roads

The New Hope town council voted last month to approve the town's participation in Collin County's mutual boundary program. New Hope will compensate the County for improvements to shared segments of CR408 and 1084 using city funds. In addition, New Hope has requested improvements to the portions of CR408 situated within the town limits. City funds will also be utilized to finance this project. The improvements will be scheduled to coincide with the availability of earmarked city funds in FY13.
