Jon,

Any chance you could send me a draft document to use – perhaps something used with other cities already with payment plans?

Thanks,
Philip

Jon,

Tonight I will be asking for verbal confirmation from Council to amend the City's request to pave CR 375 with payment of the full \$18,000 upon completion, to incorporate all CR projects we've discussed including CR 375 with six annual payments of approx. \$6976 instead.

Sound ok?

Thanks,
Philip

Philip~

Have you had an opportunity to visit with your Council or make a determination on the aforementioned mutual boundary project?

When you have a minute, would you please provide me with a status update as to this request..

Thanks,

Jon

Philip~

We will send a template so you can see the process. however, the process is relatively easy...

One, we facilitate a generic ILA between Collin County and VanAlstyne. And two, you, {van Alstyne} agree to the road upgrades and request a payment plan, etc....
