Jon,  
I spoke to Mike this morning and he said that the city does not have the funds to anything with CR 689 and the council does not want to have work done and re-pay it like we are doing with Sebastian Rd. CR 689 is not heavily traveled and we would benefit much more by looking at other roads in the city to have fixed.

Thank you,  
Patti

Mayor Holmes, Patti~

Have you had the opportunity to discuss the aforementioned road project? When you guys have a minute would you please shoot me an email with the status of this road project...

Thanks,

Jon
