Jon, this is great. We're not needing a payment plan at this time. We understand that some issues have to be worked out on 544 and that it will be 2013 before any work is done, we are rolling over funds to next years budget to asphalt 544 and Collins St. When can we expect the routine maintenance to be done?

Thanks

Marla Barth

Marla~

Nevada currently has an ILA on file that is up to date. In the event you guys are going to "self-finance" the mutual boundary road proposal, this ILA will suffice.

However, should you guys, {Nevada} seek the payment plan option, I will have to send you another ILA for your Council to facilitate a resolution.

Please see attachments regarding; current ILA, mutual boundary road estimate, Mutual Boundary Court Order & mutual boundary info sheet

Any questions please give me a shout....
